

# Kids Love Life!

*Kids Love Life! is a new non-profit organization which will provide orphaned, impoverished & abused children from Downtown LA with experiences which will allow them to feel hope and joy when they need it most – when they're children!*

To give you an idea...

No child's life is complete without a trip to the greatest place on earth! We pledge to take children who have never been to **experience the magic that Disneyland has to offer**. This will be a once in a lifetime experience for these kids!

Sadly, some kids don't get to go to parks, sporting events or museums where they can experience social interaction and cultural activities. We will ensure that children are provided with these opportunities!

These children need our help. And we need to ensure that we get them off to a great start. *So, please help by volunteering your time, in-kind services or donations*. We can't do this without you!

Our goal is to change the lives of at least **40** children this year through two thoughtfully planned events. We hope to raise **\$5000** to support these events.

Thanks to your generous support, we will be able to attain our goals and then reach even higher next year! Hopefully, next year we will be able to serve over *250 children in the Los Angeles area and host monthly events throughout the year*.

Anything will help! Children are our greatest resource and we need to help them fill their hearts with experiences and memories that they may not have had the opportunity to feel. Please contact me if you can help in any way.

There are many ways to help! See if any of the following attract you:

- *Volunteer Leader – active participation in event planning, child recruiting and fundraising*
- *Volunteer – participation during events*
- *Family Volunteer – bringing your family (children and/or significant other) to be a contribution to the other children at the day's event*
- *Donator – financially helping the organization get off the ground to success*

Kids Love Life! is about to finalize its 501(c)(3) not-for-profit, so donations are tax deductible. We are working on a website for the organization and will have our sponsors who would like to be listed included there as well on informational marketing literature.

Please reply back even if to provide our team encouragement on this new endeavor and hopefully to lend your support!

Sincerely,

George Bandarian II
